The Caddy Cargo Brochure

Commercial
Vehicles

100% new And still 100% Caddy

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Discover the Caddy Cargo

The 5th generation Caddy Cargo is a new chapter for the Caddy range. It is more comfortable and capable than ever before thanks to Volkswagen's latest modular (MQB) platform. The sleek, aerodynamic looks, combined with a range of petrol and diesel engines give it improved efficiency, and the latest twin-dosing AdBlue technology ensures that the Caddy meets the latest emissions standards. New technology also provides the latest connectivity, with audio and navigation touch-screens up to 10 inch, with We Connect preparation.

The Caddy Cargo's higher and wider load bay can handle larger loads and for the first time, Euro pallets can be loaded widthways into the rear load bay.

The Caddy Cargo, for whatever comes next.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Digitalised like never before

The Caddy Cargo is available as a fully digital vehicle – with outstanding technologies such as the optional Digital Cockpit and Discover Media or Discover Pro navigation infotainment systems.

- 01 Digital Cockpit.¹**

The Digital Cockpit provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard.
- 02 Multifunction steering wheel.**

The multifunction steering wheel is particularly comfortable and intuitive to use. Direct control of many vehicle functions such as cruise control system or the infotainment system makes the driver's journey that little bit easier.
- 03 Voice control.^{1, 2}**

Voice control is easily activated by saying the command "Hello Volkswagen". Voice control is possible for the radio, compatible smartphones as well as the air conditioning and navigation systems.

1 Optional at extra cost.
2 Available only in conjunction with a compatible infotainment system.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

01

02

03

04

01 Mobile phone interface with wireless charging.^{1,2}

Simple wireless connection. Smartphones placed in the compartment are automatically connected to the external aerial, and compatible devices can also be inductively charged.

02 Area Alert (We Connect Plus).^{2,3}

Provides important information about your vehicle. As part of the We Connect Plus service, the Area Alert service issues an alert if a vehicle enters or leaves certain areas at defined times of day.

03 Online Destination Import (We Connect Plus).^{2,3}

Saves valuable time when travelling. Alternatively to destination input in the navigation system, individual destinations can be sent to the vehicle with We Connect.

04 Wi-Fi hotspot.¹

The streaming and internet option provides a large bandwidth for the mobile office. The integrated Wi-Fi hotspot connects up to eight devices with a stable Internet connection. Data plans can be purchased directly via the infotainment system.

1 Optional at extra cost.

2 Available only in conjunction with a compatible infotainment system.

3 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at portal.volkswagen-we.com and use the services for the full duration of the agreed free period. Subject to an additional fee after expiry of the initial We Connect Plus service term.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

With Volkswagen We Connect¹ driving a van will now be even more digital. The We Connect¹ App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect¹

- BREAKDOWN CALL**

In the event of a breakdown, we get to your location quickly. With **'Breakdown Call'**, you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.
- PARKING POSITION**

The **'Parking Position'** Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.
- SERVICE SCHEDULING**

You drive – Volkswagen **'Service Scheduling'** looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.
- EMERGENCY CALL SERVICE**

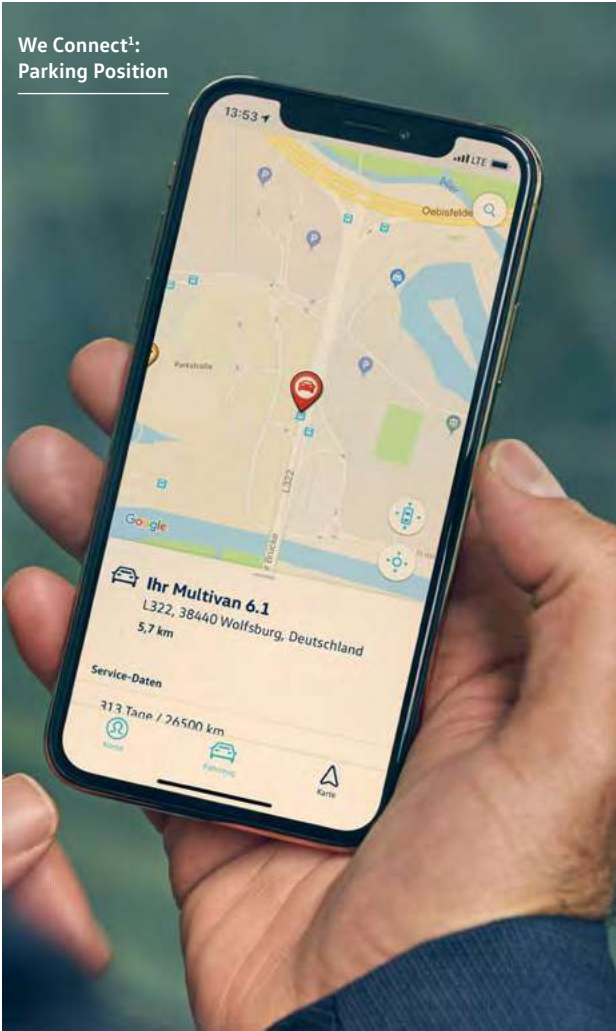

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus^{1,2}

- LOCK & UNLOCK**

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.
- ONLINE ANTI-THEFT ALARM***

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the **'Online Anti-Theft Alarm'** will inform the We Connect app on your smartphone or by email.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com. Images shown are for illustrative purposes only.

01 Composition Audio DAB+ radio system. The system with 16.5 cm (6.5-inch) colour touch display and up to 4 loudspeakers offers an integrated USB-C port, a Bluetooth mobile phone interface and DAB+. Standard on Commerce and Commerce Plus models.

02 Composition Colour radio system. In addition to the functions of the Composition Audio radio system, the system offers a 20.9 cm (8.25-inch) colour touch display, up to 4 loudspeakers, two USB-C ports in the centre console and a Bluetooth interface. The system supports We Connect¹ and We Connect Plus^{1, 2}.

03 Discover Media navigation system. In addition to the functions of the Composition radio system, the system offers a 25.4 cm (10-inch) colour touch display and smartphone integration. Standard on Commerce Pro models.

04 Discover Pro navigation system. In addition to the functions of the Discover Media navigation system, the system offers voice control, App-Connect Wireless, Streaming & Internet and We Connect Plus^{1, 2} for three years. We Connect Upgrades³ can also be optionally bought. The high-end system can also display a view of the navigation map on the optional Digital cockpit and permits Dynamic Road Sign Display.⁴

¹ To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from vehicle handover to register the vehicle at portal.volkswagen-we.com in order to use the services for the full duration of the agreed complementary period. Only available in conjunction with a compatible infotainment system. ² Subject to an additional fee after expiry of the initial We Connect Plus service term. ³ To use We Upgrade items, you need a Volkswagen ID user account, a valid We Connect contract and your legitimization as primary user, i.e. linking of your user account to the specific vehicle. In addition, the vehicle must have the technical functions and hardware equipment required for the respective "We Upgrade". The primary user can view the "We Upgrade" functions available for the respective vehicle in the web or in-car shop. ⁴ Within the system thresholds.

Images shown are for illustrative purposes only.

Helping you to be a better driver

Adaptive Cruise Control (ACC).^{1,2}

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

Front Assist with Pedestrian Monitoring and City Emergency Braking System.¹

Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations.

Parking sensors with Park Assist.^{1,2}

As part of Park Assist, Parking sensors monitor the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Emergency Assist.¹

Enhances safety when the driver is incapacitated. The system initially reacts to inactivity by emitting a warning tone, vibrating, and then performing a safe braking manoeuvre.

Traffic Sign Recognition.^{1,2}

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation system.

¹ Within system thresholds. ² Optional at extra cost.

The driving force

Whether on the motorway, in the city or on a construction site: the Caddy Cargo can be ideally adapted to your driving profile. With a choice of diesel or petrol engines with the option of manual or DSG gearboxes and now 4MOTION all-wheel drive, you can have the Caddy Cargo that best suits your needs.

01 Dual-clutch gearbox (DSG).^{1,2}
No time for idling. The Caddy Cargo can be equipped with a 7-speed dual-clutch gearbox for fully automatic gear changes without any interruption in traction.

02 4MOTION all-wheel drive.^{1,2,3}
The all-wheel drive system automatically adapts power transmission to the wheels to best suit the driving situation and surface. This is the basis for optimum handling and driving performance, also when driving off-road.

Improved emission control.
When two are better than one. Innovative twin dosing reduces the NOx emissions of TDI engines compared with the previous model. This is achieved by a targeted double injection of AdBlue® ahead of the two SCR catalytic converters arranged in series.

Engines.
Give fuel more power. The four combustion engines of the Caddy Cargo are the most efficient and economical TSI and TDI engines that have ever been installed in a Caddy.

1 Optional at extra cost. 2 Not available for all engines. 3 Will be introduced at a later date. Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

A better way of mobile **working**

Sudden surprises at the work location are no longer a problem. The Caddy Cargo makes it easy to deal with all kinds of different tasks right away and on the spot.

01 Back panel.¹
Gives the front passenger seat a new job. When folded forward, the backrest becomes a writing surface with practical stowage options, a rubber band for securing large folders and a smartphone holder.

02 230V socket.¹
The central position on the partition in the cab is ideal for charging various devices such as laptops and tools in the cab.

03 LED load compartment lighting.¹
Reaches into even the darkest corner. The energy-saving LED technology protects the vehicle battery and ensures improved illumination of the entire load compartment.

¹ Optional at extra cost.
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Say goodbye **to stress**

Well-organised and relaxed through fast-paced everyday working life. The intelligently designed driver’s workplace in the Caddy Cargo impresses with practical details such as the wide stowage compartment.

01 Open stowage compartment. Can be used for many different purposes. The open stowage compartment in front of the windscreen is a versatile stowage area for documents and items that have to be easily accessible.

02 ergoComfort seats for driver and front passenger.¹ Protect your back thanks to extensive adjustment possibilities. The ergoComfort seats feature an electric 4-way lumbar support and cushion tilt adjustment. Standard on Commerce Plus and Pro models.

03 Under seat drawer.¹ Opens up more stowage space. The practical drawer is the ideal place for storing items such as a high-visibility waistcoat, torch and tow-rope in a fixed place – so that they are quickly accessible if needed.

04 Direct-access key module.² Knows the most important shortcuts. Frequently used functions such as assistance systems, climate control functions and parking systems can be selected directly via the buttons.

Online Traffic Information (We Connect Plus).^{2, 3, 4} Reacts before any time is lost. On the basis of up-to-date traffic information from the Internet, the Online Traffic Information service warns the driver in good time about traffic disruptions, hazards or restricted visibility and automatically determines alternative routes.

1 Optional at extra cost.
2 Available only in conjunction with a compatible infotainment system.
3 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at portal.volkswagen-we.com and use the services for the full duration of the agreed free period.
4 Subject to an additional fee after expiry of the initial We Connect Plus service term.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Built for **big jobs**

Tackle the tougher tasks of the day without any worries. Thanks to its build quality, rugged materials and innovative technology, the Caddy Cargo is ready to do practically anything you ask of it.

01 Bulkhead. The optimised convex shape of the partition extends into the load compartment and therefore creates plenty of shoulder room for both the driver and front seat passenger

02 High roof load. Optional roof rails with roof bars can accommodate up to 100 kg of payload.

03 Lashing eyes. The six folding lashing eyes secure heavy or awkward loads to the vehicle floor of the Caddy Cargo.

04 Rubber floor cover option. Increases safety thanks to a non-slip surface. The robust rubber floor covering can be simply washed clean in the event of any dirt or spillages.

04 Wooden floor.¹ Strong and durable. The particularly sturdy load area covering made of multi-bonded beech wood protects the vehicle floor and impresses with its water-resistant and non-slip surface.

Robust interior. Remains remarkably unaffected by daily use. The seat fabrics and trims in the vehicle interior are particularly robust and durable.

¹ Optional at extra cost.
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

New strengths in every aspect

- AGR ergoComfort seats¹ with features such as 4-way lumbar support
- Armrests for the driver and front passenger seat^{1, 2}
- Back panel¹ on folding front passenger seat, including features such as writing surface
- Durable and robust seat upholstery
- Modern driver assistance systems, such as Adaptive Cruise Control ACC 2.0 with Front Assist^{1, 3, 5}

1 Optional at extra cost.
2 Dependent on trim level. Standard on Commerce Pro models.
3 Within the system's thresholds.
4 Only available in combination with Towbar – removable and lockable and Composition Radio, Discover Navigation or Discover Navigation Pro.
5 Only available in combination with leather trimmed multi-function steering wheel.

Images shown are for illustrative purposes only. Vehicle shown is not UK specification.

- 01 Tailgate with rear window.** Opens particularly smoothly and can also be used as a shelter in the rain thanks to its large opening height. The wide window cut-out extends the driver's field of visibility.
- 02 Rear wing doors without windows.** The roof-high rear wing doors are split in the ratio $\frac{2}{3}$ to $\frac{1}{3}$ and have a maximum opening angle of around 180°.
- 03 Partition with window and protective mesh.** The angled position of the window avoids reflections in the driver's field of vision. The mesh protects the window from damage as a result of abrupt braking manoeuvres, for example.
- 04 Solid bulkhead.** Fully separates the load compartment from the cab.

Highlights of the

Caddy Cargo Commerce

- Brake Assist system
- eCall emergency system
- Electrically adjustable door mirrors
- Electronic parking brake – with auto hold function
- Halogen main headlights with range control and daytime running lights
- Multi-function steering wheel
- Rear wing door without windows
- Single near-side sliding door (SWB)
- Twin near-side and off-side sliding doors (Maxi Commerce)

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.2.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

Choice of wheels and other options may affect fuel consumption and emissions data.

1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

2 Unladen weight includes approximately 90% fuel load and 75kg for driver.

3 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Please contact your local Volkswagen Van Centre for more details.
Roof load limit: 100kg. Trailer nose weight: 80kg.

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for your business, we’re here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Commercial Vehicle Van Insurance.³

Complimentary Drive Away Insurance

Every new and used Volkswagen Commercial Vehicle comes with five days’ complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover, so you can enjoy the same peace-of-mind for a further twelve months. Please speak to your local Volkswagen Van Centre for further details.

Subject to eligibility. Five days’ Drive Away Insurance cannot be used in conjunction with any other insurance offer.

Annual Insurance

Comprehensive van insurance, designed specifically for Volkswagen Commercial Vehicles, to offer you maximum convenience with minimum hassle – just as you’d expect.

If you take out a new Volkswagen Commercial Vehicle Van Insurance policy you will receive the following benefits at no additional cost:

- All repairs are carried out by Volkswagen Commercial Vehicles’ Trained Technicians in Volkswagen Commercial Vehicles’ Authorised Repairers
- Genuine parts and accessories (excludes windscreen claims)
- Courtesy van while yours is being repaired
- Cover for the full cost of repairs to chips or other small damage to your windscreen
- Up to 90 days’ foreign travel cover, when using your van abroad
- Up to £250 cover for personal belongings that are lost or damaged following an accident, fire or theft

For more information or to get a quote, call us on: **0345 877 6355**

We’re available Monday to Friday 9am-6pm.

Alternatively, visit: **www.insurewithvwcv.co.uk**

Volkswagen Commercial Vehicle GAP Insurance.⁴

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as ‘Guaranteed Asset Protection’) Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: **www.insurewithvwcv.co.uk/gap-insurance**

Servicing and support.

We’re here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Fixed price servicing.⁶

If you can pay for more than one service upfront, we’ll help by reducing your costs. Buy two upfront and you’ll receive one interim and one full service at a discounted rate. Buy four and you’ll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget⁷.

Pay on demand.

If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Caddy, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caddy is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: **www.volkswagencvwarranty.co.uk** where you’ll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your Caddy’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you’re only around 45 minutes on average from our door.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales number: 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

2 An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.

3 Volkswagen Commercial Vehicle Insurance is arranged by U K Insurance Business Solutions Limited and is underwritten by U K Insurance Limited. Calls may be recorded. Volkswagen Commercial Vehicle Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). The Caddy Cargo

This brochure supersedes all previous publications.

Issue: 1 February 2022

www.volkswagen-vans.co.uk

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
